

1770 LEARNING ADVENTURES

QUESTION TO BE
INVESTIGATED:

**In the 1770/Agnes Water
area, what steps can be
taken to preserve, and/or
conserve natural flora and
fauna?**

A scenic view of a coastline with a sandy beach, blue ocean, and green hills in the background. The text is overlaid on this image.

The Assignment

- **Show main ideas** – use the slide sorter. Put them in a logical order for your assignment.
- **Explain your main ideas**, make a list on each relevant slide.
- **Name the graph/chart style** appropriate to support your main ideas – explain how and why.
- **Prepare** a 1 minute talk to explain your thinking
- **Design an APP** to teach users an important fact or idea.
- **Prepare a short You Tube video** of your ‘beliefs’ about this topic.
